

Band Members

Jeff Hamel

Composer and multi-instrumentalist.

Jessica Rasche

Vocals

Majestic is a neo-progressive hard rock recording project out of Minneapolis following the likes of Dream Theater, Yes, Genesis, Ayreon, Porcupine Tree, Riverside. Created in 2007 by Jeff Hamel. Majestic has released 2 full length CDs and 1 EP. In summer 2009 Majestic released its third full length CD called Arrival, featuring the debut performance of vocalist Jessica Rasche. With epic songwriting and storytelling lyrics Majestic is definitely worth checking out.

- Descension - MALS (2007, re-released 2008)

Reviews comments

- Majestic is a one-man force behind this powerful, yet ethereal art. Sculpted from finely textured melodies and painted with strokes of musical genius, String Theory is a journey through your soul that can best be described as mesmerizing. - Stacc from Overdrive Underground
- "[String Theory] is a fantastic piece of work and it deserves to be heard!" - Scott Ward from Sea of Tranquility

Upcoming Events

- Currently working on a recording project with both members of Majestic and Slychosis joining together for a progressive rock project under the working title Proximal Distance.
- Rasche will be showcasing music from Majestic at the MN State Fair, end of July.
- Now that recording has completed we will be auditioning local musicians to bring Majestic live.
